Men of Character

Lambda News

This has been another productive month in Lambda Chapter. We signed three more members Dillion Freed, Ace Finch and Dylan Hasselman, bringing this pledge class to ten new members and our total house to 38 members. This month we also held our annual semi formal which is a Luau. Members of the fraternity as well as their dates wore Hawaiian attire and participated in different Hawaiian activities. We also participated in IFC (Interfraternity Council) soccer and IFC flag football. We went undefeated in both sports and took first place. Lambda Chapter is now 12 points ahead in the sports trophy running. We still have potential members we are looking at. Which will bring our total to 13 for the semester.
