Men of Character

Alpha Activities

This has been a busy month for Lambda Chapter. We hosted our first ever Alpha Kappa Lambda fashion show, to help raise money for our national philanthropy S.O.S. Lambda Chapter had exchanges with three sororities. Death to winter was hosted in the AKL penthouse and the Sisters from Alpha Sigma Tau came over. We all watched "Balto", had snow cones, and celebrated the death of winter. "Minute to win" it was hosted by the Chi Omegas. The brothers went to their house and participated in unusual tasks that had to be completed in under a minute. Finally the Brother hosted another social with the Alpha Sigma Tau's. We did "Silent Library" out in the garage. People took turns doing funny tasks while having to remain silent. Lambda Chapter took another step closer to reaching our recruiting goal by giving out two more Bids to Nathan Ly and Carlos Urgiles. The house did over eighty hours of community service and raised over \$200 this month between the Thin Mint Sprint and the Fashion Show.
